Instructor Profile 2014

Linda Anderson

Dog Breeds currently own: Labrador Retrievers, Lab mix

Dog Sport interest:

Compete in NADAC Agility

Compete in ASCA Agility

Compete in USDAA Agility

Canine Nosework

My dogs and I have been competing in agility in NADAC, USDAA and ASCA since 2001. We have earned many titles including NATCHes (National Agility Trial Champion), Versatility NATCHes, Platinum Speed Stars and 7, 500 Lifetime Points Awards in NADAC, ATCH (Agility Trial Champion) in USDAA and ASCA. Two of my dogs have placed third in two different NADAC Championships and one competed in the Purina Incredible Dog Challenge Championships. I've participated in several seminars held by Sharon Nelson, the head of NADAC, and other seminars held by NADAC clinicians. I am currently a member of the Seminar Group on the NADAC form, which discusses training issues. I have been teaching agility classes and have served as the Agility Training Chair for Star City for more than four years.
